Re: *United States v. Casimir*
Docket No. 11 Cr. 936 (RJS)

Dear Judge Sullivan:

I was appointed to represent Casimir Griffin in the above-referenced matter. A hearing on the VOSR specifications presently is scheduled for June 10, 2021. I write now with the consent of the Government to request that the hearing be adjourned to June 25, 2021 (in the morning) or June 30, 2021 (in the afternoon), which I understand are available dates and times on the Court's calendar.

The reason for this request is that I need additional time to review the discovery provided by the Government and then to meet and review same with Mr. Griffin. I received initial disclosure from the Government on May 25, 2021 and then received additional discovery on May 28, 2021. We have had some technical difficulties accessing some of the electronic discovery and we are working our way through those issues with the Government's tech assistant.

Thank you for the Court's consideration of the within application.

Respectfully submitted,

John F. Kaley
